

BEACON has a furniture Ministry

Are you getting new furniture? Moving to a smaller place? Cleaning out the basement, garage or relative's place?

We need your used furniture, dishes, linens, and other household items. We give them away to families in need.

This is a volunteer ministry. We rely on the availability of volunteers to pick up items.

Your gift is tax deductible and will help someone in need. Call 222-8942 between 9am and noon on Tuesday or Wednesday and ask for Shelly or visit us at www.beaconministry.org BEACON is a 501 C 3 not profit.
