

BEACON has a Furniture Ministry

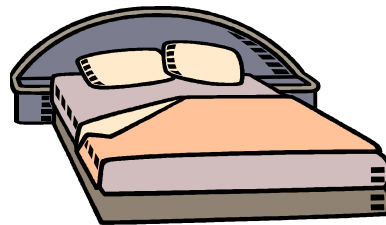

Are you getting new furniture? Moving to a smaller place?

We need your gently used furniture, bedding, dishes, pots and pans and microwave ovens. We give them away to families in need, some who have just moved out of shelters; others who have lost their belongings to fire, flood, or eviction,; and others who have left abusive relationships and need to start over.

BEACON is a faith based ministry supported by over 45 churches in the Belleville area. We are a 501 C 3, so your gifts are tax deductible and always help someone in need.

Call BEACON at 222-8824 with your donations, or visit us at www.beaconministry.org Our hours are 9:00am-12noon, Monday-Friday.
